

Honor Codes and the Real World

At Shodor we strive to prepare students for success in school, on your future college campus, and for the world in which you will live and work upon graduation. As such, it may be interesting to compare Shodor's Apprentice Handbook (https://wiki.shodor.org/index.php/Apprenticeship_handbook) and the codes of ethics and professional responsibility in various fields.

Here is an incomplete list to start such a discussion*:
